	Creek, South Carolina 29445 (District 1) for a)	CERTIFICATE
	Class C Charter Certificate of Public)	
	Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Fred Johnson, Jr. d/b/a JC Limo Service (“JC Limo Service” or “Applicant”) to reinstate Class C Charter Certificate of Public Convenience and Necessity No. 8052. Certificate No. 8052 was issued to the Applicant pursuant to Commission Order No. 2008-775, dated November 18, 2008, which granted JC Limo Service authority to render motor passenger service.

On December 17, 2009, the Applicant filed a request with the Commission seeking cancellation of its Certificate, and accordingly, the Commission issued Order No. 2010-5 on January 6, 2010, cancelling JC Limo Service’s operating authority (Certificate No. 8052). JC Limo Service now asks, by application filed April 7, 2010, that the Certificate in question be reinstated. The original Application filed by JC Limo Service, which the Commission approved by Order No. 2008-775, provides documentation regarding Applicant’s stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the cancellation of the Applicant's Certificate should be lifted and that the Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations.

IT IS THEREFORE ORDERED:

1. That Class C Charter Certificate of Public Convenience and Necessity No. 8052 in the name of Fred Johnson, Jr. d/b/a JC Limo Service be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the Office of Regulatory Staff proof of appropriate insurance, the payment of license fees, and such other information required by law, the motor carrier services authorized by the Certificate shall not be provided.

4. That failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance and the payment of license fees and such other information required by law or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.
